Epf caruman rate. Epfo claim how many times. Jadual caruman epf 2018. Epf caruman list. Epf list of surviving members. Epfo explained.

You Can Now Download And Submit Borang Kwsp 17a Khas 2020 To Maintain Contribution Rate At 11 Every company is required to contribute EPF for its employees (made up from the employee's and employer's share) and to remit the contribution sum to KWSP before the 15th day of the following month. Failing to submit within the stipulated period will result in a late penalty charged by KWSP Effective from January 2018, the employees' monthly statutory contribution rates will be reverted from the current 8% to the original 11% for employees below the age of 60. NOTE: EPF employee contribution rate has been revised from 11% to 9% from January 2021 (February 2021's contribution up to December 2021 (January 2022's contribution). What are the minimum contribution rates? (For Employees aged 60 years old and below), 1. Monthly salary of RM5,000* or less: Employee contributes 11% of his monthly salary. Employer contributes an amount equivalent to 13% of the employee's salary (*Note: When the employer pays bonus to an employee who receives monthly wages of RM5,000.00 and below, and upon receiving the said bonus renders the wages received for that month to exceed RM5,000.00, the employer's contribution shall be calculated at the rate of 13% of the amount of wages for the month. The total contribution which includes cents shall be rounded off to the next ringgit.) 2. Monthly salary greater than RM5,000: Employee contributes 11% of his monthly salary. Employer contributes an amount equivalent to 12% of the employee's salary For the months where the wages exceed RM20,000.00, the contribution by the employee shall be calculated at the rate of 11% of the amount of wages for the month and the contribution by the employer shall be calculated at the rate of 12% of the amount of wages for the month. The total contribution which includes cents shall be rounded off to the next ringgit. --- (For Employees aged 60 years old and above and up to 75 years old) As of January 2019, a new minimum statutory rate for employees above age 60 takes effect (Refer to this official KWSP announcement) "The move to reduce the statutory contribution rates follows the Government's proposal during the tabling of Budget 2019 on 2 November 2018, to help increase the take-home pay for employees who continue to work after reaching age 60" Refer to update Third Schedule, Part E for employees aged above 601. Monthly salary of RM5,000 or less: Employee contributes 0% of his monthly salary. Employer contributes an amount equivalent to 4% of the employee's salary 2. Monthly salary greater than RM5,000: Employee contributes 0% of his monthly salary. Employer contributes an amount equivalent to 4% of the employee's salary 3. Additional Notes: For employer and employee contribution that exceeds RM20,000, as not indicated in
