Construction 2020

54	We will develop an Agreed Operational Framework for Building Control Authorities to standardise work practices, systems, procedures and decision-making in relation to oversight of building control activity across the local authority sector and to move towards a risk-based approach to inspections by building control authorities by September 2014.	Q3 2014	DECLG, Local Authorities
55	We will bring forward Heads of a Bill by end 2014 to enable the Construction Industry Register, Ireland's register of contractors, builders and tradespersons, to operate on a statutory footing by 2015.	Q4 2014	DECLG, DPER
56	In collaboration with key stakeholders in the public and private sector, we will consider and report on potential forms of redress for consumers and homeowners, including the potential for latent defects insurance.	Q4 2014	DECLG
57	Complete implementation of the Construction Contracts Act	Q3 2014	DPER

SHADOW ECONOMY

58	Revenue and other relevant State agencies will continue their work combating shadow economy activity, including in the construction sector, and, as part of that work, will continue to engage, as appropriate, with business representative groups through the work of the Hidden Economy Monitoring Group and through bilateral meetings. Representative bodies will be asked to support the work of State agencies by engaging through the HEMG and other fora, and by providing intelligence.	Ongoing	Revenue, DSP, NIRA, HGA
